Dear Mr. Hirsch, הי"ו

ליום זה וזכרה מרובה!

Once again, please accept our sincerest gratitude and appreciation for the matzos, the grape juice and the financial assistance you sent the families here in Ma'aleh Amos for Pesach.

Words cannot possibly describe the joy and happiness that you were לוכה to bring to these wonderful families, who all through the year struggle to make ends meet, but when Pesach comes around they are all lost, and don't even know where to begin...

"שר כחק! ולטה המצוה רתן אר"ק, ותפוך מפי אר"ק!

קהוקרה וזכרה אלוהה,
